BOAT RAMP AT RANTA PARK

Mayor Prue and Council, I stand here tonight to present to you My thoughts on the proposed boat launch at Ranta Park.

I have read the report on the study and recommendations of the proposed ramp at Ranta Park at 1500 Front road north.

There were two suggestion of the location of the ramp. The first one being in the canal at the south end of the property would be the more costliest of the two studies.

The second of the Two proposals makes more sense, there would need to be parking for at least 40 trucks and trailers. The ramp entering directly out into the Canard river would be doable. The prevailing winds are south west and knowing wind can be an issue I would suggest contacting Walker Aggregate to see if they would be interested in donation of boulders for a break wall. I also know that there would need to be approval from ERCA and the involved Government bodies. Note that a break wall would help eliminate or slow down the buildup of silt that settles in the canals and canard river.

While I am aware marinas don't make money, I am aware that if the town along with group such as the A M A Sportsmen put together a plan for thing such as a silver base derby and walleye derby, and advertise in your tourism plan, the spinoff is money being spent in the town. Starting small and building on things is key to the towns success.

In closing I would ask town administration to consider moving forward with working on a plan for a public boat launch. It's only been two years from the time this has been asked for and I feel it is too soon to give up on it.

Thank you

Rodney Ferriss

President A M A Sportsmen's association.

Amherstburg Mind Body and Soul Event Organizers

Please select either Council or the Committee you wish to delegate to *

Council

Please describe in detail the reason for your Delegation and what action you will be asking the Assembly to take. *

The purpose of the delegation is to present the Amherstburg Mind/Body/Soul Event to Council, describing its inception, mission, goals, and tentative plans. After hearing more about our ideas, we hope the Town Council will recognize the benefits of this event to our community and tourism at large, and waive any rental fees for using the Libro Centre, where the event will be held.

Benefits to our Community of Amherstburg

1. **Promotion of Physical Well-being:** Such events encourage physical activity, which is essential for overall health. By providing opportunities for exercise, towns can combat sedentary lifestyles and reduce the risk of obesity, heart disease, and other health issues.
2. **Community Building:** Health events bring people together, fostering a sense of community and belonging. Participants often meet new people who share their interests in leading a healthy lifestyle, strengthening social connections within the town.
3. **Improved Mental Health:** Regular exercise has been linked to improved mental health, including reduced stress, anxiety, and depression. Health events offer residents an outlet for stress relief and a chance to improve their mood through physical activity.
4. **Boost to Local Economy:** Hosting health events can stimulate the local economy not only through sports tourism but also by attracting visitors who may spend money on dining and shopping. Additionally, local businesses can sponsor or participate in the event, gaining exposure and potential customers.
5. **Enhanced Quality of Life:** Access to health-focused activities can improve the overall quality of life for residents. When towns prioritize active living events, they provide opportunities for individuals and families to engage in enjoyable recreational activities that contribute to their well-being.
6. **Educational Opportunities:** Health events often include informational booths where participants can learn about nutrition, fitness, and other aspects of a healthy lifestyle. These educational components empower attendees to make informed choices about their health.
7. **Environmental Benefits:** Encouraging active modes of transportation, such as walking and biking, can reduce carbon emissions and traffic congestion, leading to a cleaner and more sustainable environment for the town.
8. **Positive Public Image:** Towns that prioritize health and wellness demonstrate a commitment to the well-being of their residents, which can enhance their reputation and attractiveness to potential residents, businesses, and investors.
9. **Long-Term Health Impact:** By promoting healthy habits early in life, health events contribute to the prevention of chronic diseases and the promotion of longevity. Investing in community health initiatives can lead to long-term benefits for the town's population.
10. **Sense of Pride:** Successfully hosting health events can instill a sense of pride in the community, as residents recognize their town as a hub for health and wellness activities. This pride can further motivate individuals to participate in future events and take ownership of their health.
